

## LANGAR HALL NOTTINGHAMSHIRE NG13 9HG

### CELEBRATING 25 YEARS OF LANGAR HALL HOTEL AND RESTAURANT

In the summer of 1985 I started a small Dinner Bed & Breakfast business at Langar Hall. Occasional tourists from the USA stayed on their way between the North & South of England, then came business -men, barristers, antique dealers, and finally lunch parties for locals which started the restaurant.

With two bedrooms, one bathroom and only an old housekeeper to help I did the cooking, serving and trained myself to answer the telephone with a "Yes". It has been a big learning curve but worth all the work, the dramas and occasional panic. The many wonderful people I met along the way helped me to transform Langar Hall into the very special place it is today and brought fun and friendship into my life.

I would like to thank all the customers for their patience, understanding, kindness, help and encouragement.
