

MASTER ROOMS

Edwards A distinguished room overlooking the park. It retains the original four poster bed. Steps lead up to the bathroom where the huge old bath has its own hot water supply and hand shower.

Brownlow A lovely light room overlooking the garden and park. Double standard half tester double bed, en-suite sitting room. Bathroom with overhead shower

.SUPERIOR BEDROOMS

Cartland A large light room looking over the church garden. Named after Barbara Cartland who used to stay on her way home from Scotland, but it is no longer pink! Large 6 ft double or may be changed into twin beds. Bathroom with overhead shower.

Mark's Room A largish room in the old wing of the house overlooking ancient yew trees. Twin bedded room. Bathroom room with separate shower.

MAIN HOUSE

Lilac Room A charming, smaller south facing room overlooking the garden. Double 5ft bed. En-suite bathroom with overhead shower

The Nursery A pleasant double room with 5ft bed. En- suite bathroom with overhead shower.

Favourites A 6 ft double/ twin bedroom with a spacious bathroom and separate shower. It looks over the church garden. The low ceiling makes it unsuitable for anyone over 6ft tall. With the adjoining Bill's room this makes an ideal family suite.

IN THE WING

Bill's Room (Single room) with a standard double bed, en-suite bathroom with shower overhead. This is a quiet room with its own entrance from the garden. This room can be linked to Favourites for families.

Bohemia (Superior Room) In the wing (Honeymoon) Once an artist's studio, this room in the wing of the house is a short walk through the church garden. It has been described as one of the most romantic hotel bedrooms, making it ideal for honeymooners arriving late after their wedding reception. Large 6ft double bed. Bathroom with overhead shower.

Cricketers (Standard Room) Pleasant room in the wing with long views, 5ft bed. En suite bathroom with overhead shower.

Barristers (Standard Room) The only ground floor room and you can park your car just outside the door. A masculine room with painted panelling. 5 ft double bed. Bathroom with overhead shower.

THE CHALET ON THE CROQUET LAWN

AGNEWS

Quiet and private, small, warm and comfortable with its own veranda, standard bed. Large shower but no bath. People who stay there love it and usually ask to stay there on their next visit. A short walk from the house. Ideal for lovers but not so good for nervous ladies on their own.
